They would like to have a block party, possibly at Hamilton Street twixt 19th & 20th; another possibility is the Community College. We will discuss this at other meetings.

Lights:

Jim reported that there is a light out and that he alerted Mark Focht of the problem.

We scheduled three items:

Clean-up will be November 16 at 11am. We made notice that there is a lot of thistle in one of the beds

Holiday lights , we will string the holiday lights on November 30

Holiday Happy Hour Mary and Frank will host a Holiday Party for FoMBP on Wednesday 12/18 at their home.

Fundraising

We acknowledged that there is a long-standing understanding that FoMBP needs dough to continue with our endeavor to assist with the Park's maintenance. Following a short discussion, we slated fundraising as an agenda item for December's meeting

Rabbits:

Yep, they live there and have been there since before the Park was created. What to do with them was left to another meeting.

Happy Thanksgiving to All
