The Baldwin Park Re-dedication Ceremony will take place on 5/18/16 from 5-7 PM. Attendees were required to register via email with Forest City which is sponsoring the event.

April meeting minutes were approved.

To get a stop sign, crosswalk and handicap curb cut at 19th & Hamilton Streets, we must get signatures from nearby residents supporting the proposal. Jim Fennell and Sandy Owens developed a petition for the signatures which was distributed to volunteers. Scott and Joan Possiel will complete the application for the curb cut, as it must be submitted by a disabled person. The package will be submitted to Darrell Clarke's office and then on to Traffic.

There was no change in the treasurers' report: \$3,103. A reminder will be sent to members to renew their dues for 2016.

The annual Picnic in the Park is scheduled for Saturday 6/11/16. Volunteers will be needed to move the tables and chairs from Tivoli to the park. LSNA will create a flyer to advertise it.

The wall mortar re-staining project will take place on Saturday 5/14/16 as our "Love Your Park" project. A motion was approved for \$100.00 to purchase supplies for the project.

For "Love Your Park", Grace Hanrahan reported that Parks & Recreation gave us two gift cards of \$25 each. The one for Dunkin' Donuts will be used for the picnic and the other for Home Depot can be used toward the wall re-staining project.

The next meeting is Thursday 6/2/16.

The meeting adjourned at 7:25 PM.
