

The August meeting on FOMBP was 8/6/15 with Grace, Mel, Sandy, Jim R, and Jim F attending, (decent attendance for midsummer).

The treasurer reported that we have \$3053 in our account with no outstanding bills.

Our next cleanup is Saturday 8/22 at 10 AM. ( The current prediction for weather is that we will have come out of a heat wave on Friday, so I am sure we will want to arrive on time and not linger since even that day is predicated to get to 88 in the afternoon.) We will try transplanting some of the spreading perennials to bare spots in the main beds if we have interested volunteers.

Next meeting of the Friends of Matthias Baldwin Park is Thursday September 3 at 7 PM  
Jim Fennell for Friends of Baldwin Park.
